Iraq. Kirkuk

I received a Bachelor's degree in Thermal power/ Mechanical Engineering/ College of Technical Engineering from Erbil Polytechnic University in 2012. I received Master's degree in Thermal power/ Mechanical Engineering/ College of Technical Engineering from the same university in 2016. I received PhD degree in Thermal power/ Mechanical Engineering/ College of Technical Engineering from the same university in 2024.

## Research areas and most important published research

My research interest is concentrated on (heat transfer, mass transfer, air-conditioning, thermofluids mechanics, energy management, renewable energies, thermodynamics).
